PILGRIMS THROUGH GLASS PALACES: KEEPING THE FAITH IN THE MODERN AGE

LENTEN STUDY SERIES 2023

FEB 22 – MARCH 29, 2<u>023</u>

EVERY WEDNESDAY @ 7PM

Online via Zoom & In Person

Living faithfully in the Modern Age is becoming more difficult and bewildering by the day. Not only is the Christian worldview now largely impossible to the modern soul, the modern worldview impacts and influences our ability to keep the faith in our Christian Pilgrimage.

Our annual Lenten Study Series, led by Br. Jason Carroll, will explore the nature and origins of modernity, and attempt to formulate a faithful response from Christian theology and scripture. Come join the conversation and find the better story...
